- Do you love the decorative stitch? Do you love pattern, texture and colour?
- In this one day workshop, reveal the beauty of what you already have; the pre-programmed decorative stitches on your domestic sewing machine.
- Make your very own stitch recipes and make them unique.
- Experiment with bobbin work using thicker thread, working from the back.
- Combine stitching with feed dogs up and down, enhancing those decorative stitches with free machine work.
- Add some applique using organza, then finish with an elegant, machine made tassel. Sublime!
- This work would be appropriate used on collars, cuffs, shirt fronts, cushions, fashion, re-purposed fashion, bags, homewares, millinery, jewellery and visual art.

Techniques: Free Machine embroidery, Decorative stitching, working with multiple threads, tassel making, stitching over paper and simple applique..
